

Modular Cooking – Gourmet Station Electric – Gourmet Station NKBL 20-90 WTP

Due to routine technical improvement, the photograph shown may not represent the latest design of the products.

DESCRIPTION

The Nayati Gourmet Station for the ultimate cooking experience. Made of stainless steel AISI 304.

The Gourmet Station is equipped with one Induction Wok, a Teppanyaki Griddle, an effective Pasta Cooker with automatic basket lifter, a cold well for eight GN 1/6 containers and a neutral well for five GN 1/6 containers. The sturdy, reinforced top is made in 3 mm stainless AISI 304 and has an orbital, anti-scratch finish. The base has a chilled counter with one drawer for food storage and a neutral compartment with door for storing purpose. The Gourmet Station is usable as a stationary or, due to the four swivel castors as a satellite kitchen solution.
